## CLASS 'B' DOUBLE DOOR SCEC ENDORSED SECURITY CONTAINER

Height	1840mm
Width.	925mm
Depth	555mm
Weight	154KG

Fileguard Class B Security Containers are endorsed by the Australian Government Security Construction Equipment Committee for the protection of classified material.

These containers are designed and manufactured to delay access by covert means and to provide visible evidence of any physical overt attack.

They are not designed to protect the contents against prolonged overt attack.

The containers are manufactured with a 1.6 mm fully welded steel body with minimal clearances.

Fileguard SCEC Endorsed Security Containers, unless so specified, do not provide fire resistance.

Comes standard with 4 adjustable shelves
